**AC Series** - Air Command's No.1 compressor model in NZ! European design, Italian componentry and a solid and reliable performer for trade and agricultural use. Tried and trusted by 1000's throughout New Zealand & Australia for many years. AC Series - where quality and good value combine.

## AC TRADE SERIES COMPRESSORS

### MODEL: AC9 Air Command 9 Belt Drive Compressor

Yes! A trade quality direct driven compressor that is made in Italy! The AC9 is a 2.0hp, oil lubricated compressor with a solid cast iron cylinder, large head valves and generous sized bearings, for longer term running. Ideal for the tradesman who requires a small, portable source of compressed air for light duty work but also wants reliability not found on cheaper models.

- 2.0hp motor with o/load
- Cast alloy pump
- 240L/min, 120psi
- 24L receiver with regulator
- CAAA approved

**FREE 10m Air Hose!**

### MODEL: AC12c Air Command 12 Belt Drive Compressor

This is our most popular compressor for Tradespeople - especially those doing on-site work. Lightweight, very portable and easily handled by one person, low current draw (under 10 amps), quiet in operation and providing ample air output to operate a range of tradesman's air tools.

- 2.2hp motor with o/load
- Twin cylinder alloy/cast pump
- 280 L/min, 150psi
- 50L receiver with filter/regulator
